

# Welcome to Windsor Gardens B-12 Children's Centre

---

What we do...

We support children aged 0-8 and families in the local community to achieve the best possible learning, health and wellbeing outcomes.

Who is our community...

The **family** programs have a geographical catchment area that includes:

**Northfield , Northgate, Lightsview, Oakden, Hillcrest and Windsor Gardens.**

The **preschool** program has a smaller geographical catchment area that includes:

**Most of Hillcrest and most of Windsor Gardens.** A map is available for your information from the centre.

Depending on availability of vacancies within the service, other families from outside the geographical catchment may be accommodated depending on the following guidelines:

- Referrals from other agencies
- A child at risk of serious abuse or neglect
- Identifies as Aboriginal or Torres Strait Islander
- A child under the guardianship of the Minister
- A child or parent with a disability
- Children in socially isolated families
- Families without access to transport
- Children in families with culturally and linguistically diverse backgrounds.

Please note that in the event that there are insufficient places to accommodate all families from within the catchment area, these guidelines will also apply.

The second level of guidelines that helps prioritize eligibility includes

- Children who are currently attending other DECD funded programs at the centre e.g. preschool
- Children attending childcare in the geographical catchment area
- Children who are enrolled to attend Windsor Gardens B-12 School
- Children who have older siblings attending Windsor Gardens B-12 School
- Children who have siblings who have previously attended the preschool

Please note that if there are insufficient places to accommodate all families that fall in the second level of eligibility then the first level guidelines will be applied to determine the selection process for families who will be offered a place at the service.

How do I register my interest?

If you live in the catchment area, please ask for an enrolment form and talk to us about what programs you would like to participate in.

If you do not live in the catchment area and believe you may be eligible to join our programs, please ask for an enrolment form and talk to us. We meet regularly to review all registrations of interest.
